

Finance Concentration & Electives

Bilge Yilmaz
Wharton Private Equity Professor
Professor of Finance

Everyone must complete two semesters of finance as part of “Business Fundamentals”

- **FNCE100 - Corporate Finance**
 - Introduction to Finance
- **FNCE101 - Monetary Economics and the Global Economy**
 - Intermediate-level course in Macroeconomics and the Global Economy

Finance Concentration

Requirement

Business Fundamentals + at least four (4) additional finance credit units

Maximum 1 CU of ISP + GMC

Potential Problem

Difficult to choose the “right” electives

There are more than 20 finance courses to choose from

What to do

You can choose any combination

Create your own individual track

OR

Follow one or more tracks recommended by the Finance Department
